Professor C.N.R. RAO, F.R.S
National Research Professor
and
Honorary President

22.06.2016

Dear Dr. A. Mahalingam,
Greetings from Bangalore

My heartiest congratulations on the launch of TwinTech Healthcare Academy in Chennai. After your long and distinguished years of service at Sankara Nethralaya, and your close association with Padma Bhushan Dr. S.S. Badrinath, this new initiative reflects your continued dedication to strengthening India's healthcare ecosystem.

Your vision to empower the next generation through high-quality healthcare training at TwinTech is truly commendable. This initiative will undoubtedly create a meaningful impact, just as you have consistently done in all your previous roles and contributions.

I wish you great success in this noble venture as well—may TwinTech emerge as a leading centre of excellence under your leadership.

Best Wishes,

(Prof C.N.R.Rao)
