29th April 2025

Dear Dr. A. Mahalingam
TwinTech Healthcare Academy, Chennai

My heartiest congratulations to you and the entire team at **TwinTech Healthcare Academy** for your exemplary initiative in commemorating **International Nurses Day 2025** and honouring the selfless contributions of nurses through the **Nursing Excellence Awards**.

This is a noble and timely endeavour that truly reflects your unwavering commitment to uplifting the nursing profession and recognizing their invaluable service to humanity.

The theme for this year, **"Our Nurses. Our Future. Caring for nurses strengthens economies,"** resonates deeply with the spirit of your celebration. Nurses are not merely healthcare providers—they are the compassionate lifeline of our healthcare system.

Nursing is a noble profession—even nobler than that of the doctors, as they give constant care with attention, affection and without showing any fatigue or annoyance.

"Save one life, you're a hero. Save 100 lives, you're a nurse." "Caring is the essence of nursing."

"Nursing is one of the fine arts: I had almost said 'the finest of fine arts.'" —Florence Nightingale, founder of modern nursing

I deeply appreciate the outstanding work of **TwinTech Healthcare Academy** in offering **practical training, skill development, and structured recognition** to healthcare professionals. Your initiative in empowering nurses and healthcare workers with meaningful learning and honouring their excellence through this prestigious award ceremony is truly commendable. The upcoming event on **May 11, 2025, in Chennai** will undoubtedly be a significant milestone—celebrating not just individuals, but the noble spirit of caregiving itself. **I extend my sincere appreciation and heartfelt blessings to all the award winners—may they continue to inspire, heal, and lead with compassion.**

Please accept my warmest wishes for the grand success of this initiative. May TwinTech continue to be a beacon of progress in healthcare education and professional empowerment.

With warm regards and deep appreciation,

Yours Sincerely,

Dr. D.R. Kaarthikeyan
