Dear Dr. A. Mahalingam,

Heartfelt congratulations to TwinTech Healthcare Academy on felicitating nurses on World Nurses Day 2025! World Nurses Day is a time to celebrate the tireless dedication, compassion, and expertise of nursing professionals worldwide.

On May 11th, a day ahead of World Nurses Day, we honor the invaluable contributions of nurses who provide exceptional care, support, and kindness to patients and families. Your recognition of their hard work and commitment is truly appreciated.

It is heartwarming to note that TwinTech Healthcare Academy has been engaged in capacity building for healthcare providers in India by conducting various upskilling and knowledge enhancement programs. I was particularly pleased to learn that the academy has conducted over 300 programs.

Please extend our gratitude and appreciation to the nursing community for their selfless service. May this celebration inspire continued excellence and passion in their noble profession.

Wishing TwinTech Healthcare Academy continued success in promoting nursing excellence!

Congratulations once again, and best wishes for a successful event!
