

TwinTech Institute of Education Trust — Empowering Communities Through Education,
Healthcare, and Humanity

List of Activities by TwinTech Institute of Education Trust(TIET)
(By TwinTech Healthcare Services / TwinTech Healthcare Academy)

TwinTech Institute of Education Trust(TIET), Chennai, Tamilnadu, India has been started with the aim of voluntary service for the welfare and development of the common man in both rural and urban areas.

TIET will also be a platform for social, educational, economic and legal advancement of the needy people. The actions of TIET will enable poor and disadvantaged people, especially women and children to realize their potential through various means. Initiating and promoting family welfare, adult literacy, non-formal education and general awareness in areas related to health and hygiene, environmental sanitation, child health etc. will also be one of the areas that the trust will focus on. Printing and publishing books, pamphlets, leaflets, magazines, periodicals, journals, etc. on the activities, development and other common issues pertaining to the objects of the consultancy or for any good cause and distribute them free or at cost to public will also be taken up.

The trust will establish any academy, with suitable or appropriate name and employ a system of educating people in a community or society, in schools, arts and science colleges impart knowledge through instruction courses, training classes and usher in newer training / teaching methodologies including the use of Information Technology. The objective is to teach courses that deal with A to Z in health care services and HR /Management etc.

Major Activities of TwinTech Institute of Education Trust (TIET)

(As on 04 November 2025)

1. Doorstep FREE Comprehensive Geriatric Eye Care

- Regular eye camps conducted in old age homes, rehabilitation centres, and orphanages.
- Services include complete eye examination, surgery referrals when needed, and free prescription glasses.
- **Impact:** So far, 3550 elderly patients have directly benefitted from our services, and this is an ongoing initiative that continues to reach more vulnerable elders every year.

2. Eye Donation Awareness Campaigns

- TIET has been consistently active in creating awareness on the importance of eye donation to eradicate preventable blindness.
- Public and student awareness sessions on eye donation, motivating people to take the eye donation pledge.
- Regular awareness articles written and published in print and digital media to reach wider audiences.
- Rallies and campaigns organized during the National Eye Donation Fortnight(25th August to 8th September) , highlighting the urgent need to address blindness.
- Awareness created on the fact that millions of Indians live in blindness due to corneal disease, which can be restored by a simple act of eye donation after death.
- **Impact:** Many students and members of the public have pledged to donate their eyes, contributing to the movement towards a blindness-free India.

3. World Nurses Day Celebrations

- Every year, TIET proudly celebrates World Nurses Day(May 12) by recognizing the selfless service of nursing professionals.

- Nurses from various hospitals and healthcare institutions are nominated by their peers
- An expert panel reviews the nominations and selects outstanding nurses who have shown dedication, compassion, and excellence in patient care.
- Awards and rewards are presented as a mark of respect and gratitude to their profession.
- Impact: To date, over 50 nurses have been honoured and motivated, inspiring many others in the field of nursing.

4. World Doctors Day Celebrations

- Doctors are the backbone of healthcare, and TIET ensures their contribution is celebrated with dignity and respect on World Doctors Day(1st July).
- Eminent doctors from multiple specialities are nominated and recognized for their outstanding contributions to medicine and society.
- Impact: In the most recent celebrations, 30 eminent medical professionals were honoured for their exemplary service to the community.

5. Blood Donation Camps

- TIET organizes regular blood donation drives to promote voluntary blood donation and save lives.
- Creates awareness on the importance of safe blood donation
- Engages youth, students, and the public to actively participate.
- Donated blood is supplied to government hospitals, emergency care units, and cancer institutes.
- Impact: These camps have helped save countless lives and fostered a culture of responsibility and compassion in society.

6. Student Skill Enhancement / Development Programs

- Skill enhancement training for deserving college students, particularly in healthcare and allied fields.
- Over 1000 students trained so far, improving their knowledge, employability, and confidence.

7. Faculty Development Program – Building Excellence in Teaching & Learning

Faculty vitality is the cornerstone of enhancing professional education and competence. When faculty members are enriched in the key domains of teaching, assessment, research, professionalism, and administration, the environment improves significantly directly boosting the academic performance and confidence of learners.

A Faculty Development Program (FDP) is not just a training module—it is a standalone educational pedagogy designed to strengthen the knowledge, skills, and mentoring capacity of educators. Strong faculty means better learning outcomes for students, ensuring they are well-prepared for their careers.

TwinTech Academy's Commitment to Faculty Development:

At TwinTech Academy, we are deeply committed to empowering faculty through structured FDPs. One such initiative was the special FREE program – 3D Excellence for Faculty (Teaching, Training, Mentorin conducted on 15th October 2023 at Hotel Savera, Chennai.

This program was well received by delegates and resource persons including: Dr. R. Krishnakumar – Educationalist & Advisor, Optometry, Sankara Nethralaya (Medical Research Foundation), Chennai. Dr. R. Palaniyandi, IAS (Retd) – Educationalist, Former Joint Secretary (Public), Govt. of Tamil Nadu.* Dr. S. S. Somanathan – Prof. & HOD, GRT Group of Institutions, Tiruthani, Tamilnadu. Prof. R. Ramakrishnan– Director & Advisor, TwinTech Academy, Chennai & Dr. A. Mahalingam – Educationalist & Managing Director, TwinTech Academy, Chennai, Tamilnadu

Impact & Benefits:

- Over 2000 faculty members have benefitted from our FDPs conducted over the years.
- In this specific program on 3D Excellence more than 50 professors participated and enriched their teaching and mentoring capabilities.
- The ultimate beneficiaries are the students, who experience improved teaching methodologies, enhanced mentorship, and a supportive academic environment that fuels their growth and success.

8. Public Education Programs on Healthcare & Systemic Diseases

- TIET regularly conducts public education and awareness programs on major health issues with the guidance of renowned domain experts.
- Diabetes & lifestyle diseases led by Padmashri Awardee Dr. V. Mohan India's leading diabetologist.
- Eye health & vision care – by Dr. Surendran. T. S from Sankara Nethralaya Eye Hospital
- Public health, sanitation, and preventive healthcare – by Dr. V. Kanagasabai former dean of Madras Medical College and other specialists.
- These programs aim to educate the community on early detection, prevention, and management of systemic diseases and strengthen the message of healthy living for all.

Highlights of TIET's service so far

- 3550 elderly patients benefitted from Comprehensive Geriatric Eye Care camps over 3 years (Dr R Krishnakumar & Dr A Mahalingam).
- 1,000+ college students trained in Skill Development Programs.
- 50+ Nurses honoured with awards on World Nurses Day (May 12)
- 30 Eminent Doctors recognised on World Doctors Day (July 1)
- Multiple Blood Donation camps conducted contributing to thousands of lives saved.
- Over 1000 of students and 2000 Plus Healthcare Professionals and public pledged Eye Donation, creating hope for a blindness-free India.
- Awareness articles & public programs by A Mahalingam regularly reaching thousands of citizens through media and rallies.
